Report of Principal and School Improvement Council

The 2011–2012 school year at Harbison West Elementary School (HWES) was an outstanding year. Our student achievement gains on the MAP and PASS tests showed we continued to provide a high-quality education for each child in our school.

Our students achieved in many areas. Four students were recognized for writing accomplishments through the State Superintendent's Writing contest with a HWES student named as the district winner for the second year in a row. The Escolares Academy also presented the musical, "How to Make a Pirate." Many of our students were chosen as art, poetry, and poster winners in various state and national competitions.

A strong focus on student achievement continues to be our top priority. All teachers continue to implement best practices for instruction with the aid of our strong instructional support team, which includes a Response to Intervention Specialist, Math Coach, and a Technology Integration Specialist. Teachers focus on data analysis to make sound instructional decisions that best support student learning and instruction.

We strive to meet each child's individual needs at Harbison West Elementary School. Students in kindergarten through fifth-grade work on their specific literacy needs through small group instruction with support of Reading Recovery teachers, three Reading Interventionists, and trained paraprofessionals. All students continue to utilize the Compass Learning Odyssey Computer Lab to work on targeted, explicit instruction in mathematics and reading.

HWES provides leadership opportunities and after school activities for our students and families. Students can participate in the HWES Morning News Team, Handy Helpers, Safety Patrol, Super Recyclers, Student Council, Beta Club, and Book Buddies. After school opportunities include the HWES Step Team, Trash Can Band, Chess Club, and the Art Club. Through Project SOAR, students are able to participate in a free after school program that supports their academic and social learning. The Boys and Girls Club also provides after care for our students and families.

We promote family involvement through many planned events such as the Back to School Expo, Family Literacy and Math Nights, Family Movie Night, All Pro Dads, Moms Make a Difference, parenting programs and parenting book reviews. We sponsor Parenting Power Sessions to support our families as they work with their children at home. Parents are also encouraged to volunteer in classrooms, chaperone field trips, participate in the Birthday Book Lunch, and participate in the Parent Teacher Organization.

The Escolares Academy, the first magnet program in our district for Gifted and Talented students, was expanded. Additional third- and fourth-grade classes were added.

The 2011-2012 school year was a banner year at Harbison West Elementary. Our dedicated staff continues to focus on student achievement and success. We ARE the Harbison Heroes.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.

Overall Weighted Points Total	87.1
Overall Grade Conversion	B
